vote frank walton

who am i

- hi I'm frank walton.

- I'm a yr. 8 student at Welshpool high school

- I love sports and walking in the big outdoors with my family.

- I love playing football and rugby, but also love music.

- I'm aiming to get voted into the welsh youth parliament and would love if you could take the time to vote for me

protecting our environment

- Every great journey starts with a small step. I believe if we can look after our local environment it can contribute to the global effort to halt and reverse climate change.

- I would champion more sustainable farming techniques.

- I would push for local council and government to commit to renewable fuels on all vehicles.

- I would push for opening more of the closed rail lines to reduce the reliance on personal transport in the local area.

promoting equality

I believe growing up we all deserve the opportunity to realize our dreams and believe that discrimination of any sort should be kicked out of our society

a vote for me would be a strong voice against any discrimination in our locality and nationally

a vote for me would help reset the balance of institutional inequality that has existed for too long in this country.

enhancing our local economy

- I believe that to help the environment and to have a balanced and fair society, we need a thriving local economy based on putting the environment first.

- we only have one planet, and we need to be able to respect our surroundings and the wildlife around us.

- a vote for me would, would mean a strong voice for promoting local sustainable economy that would put our wildlife and environment as the top priority .

Thanks for taking the time to read this, I know I'm only young but feel I could be a good voice for local issues in the welsh youth parliament.

if you have got the time to vote for me click here and follow the instructions

Be quick though as this has to be done by the 12 November.

Many thanks

Frank
