INVITATION

It gives me great pleasure to welcome you to our school and begin to share with you important information about Welshpool High School.

I do hope that after joining us at our Open Evening you will believe, as a student or a parent, that Welshpool High School provides the appropriate ethos and a suitably happy and confident environment in which to work and learn. Welshpool High School is a caring and positive learning community which aims to help every student to achieve success.

It is an English medium school.

Every student is encouraged to aim high and work hard towards the fulfilment of their ambitions and potential. We endeavour to provide support and opportunity for students of all abilities through our curriculum, pastoral programmes, and a wide range of extra-curricular opportunities.
