YSGOL UWCHRADD Y TRALLWNG

Headteacher/ Prifathro: Mr J Arnold

14th November 2022

Dear Parents/Carers,

Parents & Carers Advisory Group

I would like to set up a Parents & Carers Advisory Group to listen, support and advise on key areas of school life.

My intention is to be able to meet with interested parents/carers, working alongside members of the Senior Leadership Team in school, so that we can develop both an effective mechanism of sharing information regarding events and challenges in school, and seek your help to develop practice in key areas, such as reporting, assessment and feedback, behaviour, uniform and even curriculum developments.

Having used a similar system in previous schools, my experience tells me that twenty members of the parent/carer body is an ideal size to form this group. In addition, it would be my intention to ensure that I have a spread of willing volunteers to attend meetings, that is representative of students from across all year groups.

If you have experience of helping with fundraising/planning social events in your child's previous education setting, or a particular interest in elements of school life and would be willing to be part of this group, please can I ask you to complete, and return to the school office, by 2nd December 2022, the section below:

Meetings will take place on termly basis and will run with a similar format:

- Part 1: Headteacher's report
- Part 2: Key area of focus (to be determined prior to the meeting)
