Message from the Headteacher

This week we were delighted to welcome our Year 7 Parents and Carers into school to meet form tutors. We were delighted to hear how well the students had settled and it was fantastic to be told just how many of the new Year 7 students had made new friends, found their way around the school and had also been helped at some stage in the last few weeks by an older student.

Next week we host the first of our two Open Evenings. Once again, we will be proud to show off our school. The first evening is for Year 5 and 6 students and the next event will be for Year 11 students ahead of potentially applying for places in our vibrant sixth form. We hope that whether you are a first-time visitor to the school, or a returning visitor, you feel welcome and manage to tease out all the information you need to choose Welshpool High School as a trusted place for your child's education in the future.

Upcoming Events

Tesco Fundraising For Our School

We are delighted to announce that our application to the Tesco Stronger Starts has been successful and our school will be put forward to a customer vote in Tesco stores. Voting will commence in store from the first week of October 2023 until Mid January 2024.

Our application was for the refurbishment of the school and community Theatr Clera used by neighbouring primary schools for concerts, and recitals as well as our school assemblies and presentation evenings.

The project with the highest number of votes across our region will receive £1,500 (or the amount that was requested up to this value), the second placed project £1,000 (or the amount that was requested up to this value), and the third placed project £500.

WE NEED YOUR HELP! To vote, you will need to make a purchase within the Welshpool store of any value. You will receive one token per transaction.

Please help us achieve high votes so we have a chance to receive funding that will benefit not just our school but you as part of our wider community.

Thank You
