## YSGOL UWCHRADD Y TRALLWNG

Headteacher/Pennaeth: Mr J Arnold

24<sup>th</sup> June 2026

Dear Parents/Carers,

I am writing to inform you that we have taken the decision to close the school tomorrow.

With the prolonged temperatures throughout the week the school building is not sufficiently cooling overnight, leading to extremely high temperatures very quickly. Despite the school making many adaptations over the last few days, this is severely compromising learning and wellbeing for all pupils.

Considering the predicted increase in temperature for tomorrow, the already precarious situation is not going to improve overnight.

Work will be available for pupils on Google Classroom from 9.00am tomorrow morning.

Thank you for your cooperation in keeping all pupils hydrated and protected during the last few days, and please can we urge the importance of continuing to do this tomorrow.

We would also like to issue an important reminder regarding water safety to ensure that all of our pupils are not putting themselves in any danger.

School will resume at the normal time on Friday, 26<sup>th</sup> June 2026, unless there are any further developments, which we will communicate to you as promptly as possible.

Yours sincerely,

Mr J. Arnold  
**Headteacher.**
