Codi Cyrhaeddiad Trwy Godi Disgwyliadau ~ Raising Achievement By Raising Expectations

NEGES O'R PRIFATHRO MESSAGE FROM THE HEADTEACHER

We have enjoyed a fabulous start to the academic year, since returning in September.

It has been a joy to meet our new Year 7 pupils, who I hope have come home telling tales of how they feel more at home as every week passes. They seem to be taking well to life in secondary school and moving around from lesson to lesson.

Already the extracurricular side of school life is in full swing. Sports clubs are busy, Live Lounge is thriving and the Student Council has been very active already. The Student Council are a particularly engaged body of pupils who share opinions in a very mature way and over the last few years they have helped us make changes to quite a few elements of school life. This year, I am sure, will be no different.

In addition, many of the Additional Support sessions for pupils in examination year groups have started, and it has been fantastic to see the attendance at the extra Mathematics sessions for Year 11s already. This dedication will hopefully go a long way to preparing for the summer examinations.

Recently we were informed that we were once again the best performing secondary school in Powys for attendance in 2025-2026 - this is the third year in a row. We are really grateful for the support that our families give us with this and hope that we can continue this drive to ensure we have high attendance once again in 2026-2027.

Mr J Arnold

GWYBODAETH PWYSIG I RIENI

INFORMATION FOR PARENTS

PRAISE AND SANCTION

During the first few weeks back to school, pupils have made a positive start and have once again embraced our lesson grade descriptors. The grade descriptors can be found in your daughter/son's planner and are well received by the pupils in lessons.

In September, 15044 Grade 1s have been awarded. This demonstrates excellent behaviour, consistency and effort from our pupils. If a student receives a Grade 3 or a Grade 4 then a sanction will be applied. Grade 3s and 4s for September have been reduced compared to the same period during the last academic year.

Importantly, throughout the year, we will continue to recognise and celebrate the hard work and effort of every pupil, and we will be using assemblies to celebrate their success. We always compare our data against previous years. Last year for the same period, 14700 Grade 1s were awarded.

In summary, we have made a really positive start to the new academic year.

ATTENDANCE

At the start of every new academic year, we always make attendance a priority. Research highlights that early patterns of absence can become very problematic if support is not given to the child and/or family. Heads of Year monitor attendance and will meet fortnightly with our Educational Welfare Officer in an attempt to do everything possible to support every pupil.

Recently a letter was sent home to parents/carers highlighting fixed penalty notices and lateness to school. Importantly, we have explained that attendance relates to attainment.

Compared to previous years, the data for the first four weeks in school is extremely positive and we are also very pleased to share with you that our overall attendance for the whole school, compares very well to national and county data. Our whole school attendance target for this academic year is to be above 93%.

**As always, we are very grateful to our parents/carers
for their support in helping our attendance.**

GWYBODAETH PWYSIG I RIENI

INFORMATION FOR PARENTS

UNIFORM

Similar to attendance, we are very grateful to parents for their support with uniform. Pupils have set high standards with regards to bringing the correct uniform and equipment to school and we hope this continues.

PARKING / DROP-OFFS

A gentle reminder to all parents/carers that drive their children to school that all drop-offs should be made in the designated area at the end of the Flash Leisure Centre car park. This is clearly signposted and **DOES NOT** include the Welshpool High School staff car park or bus park.

The only exemption is for disabled access, which is in front of Theatre Clera. We thank you in advance for your support in this matter, in an effort to keep everybody safe.

GWYBODAETH PWYSIG I RIENI INFORMATION FOR PARENTS

RESTART A HEART CAMPAIGN

As a school we have registered for the Restart a Heart Live 2026 campaign.

Restart a Heart (RSAH) is an annual initiative led by Resuscitation Council UK which aims to increase the number of people surviving out-of-hospital cardiac arrests by helping more people learn CPR and become ResusReady.

Survival rates from out-of-hospital cardiac arrest remain stubbornly low in the UK, with fewer than one in 10 people surviving*. By taking part in Restart a Heart, you are part of something bigger. You are contributing to a society where more people know how to help save a life, and can make a real difference in the ultimate medical emergency.

During form time, pupils have watched a video that highlights lifesaving CPR skills.

The link to the video is also below

https://youtu.be/hbaHV_piETY

Learn CPR, act fast, save lives

NEWYDDION GAN FFRINDIAU YSGOL UWCHRADD Y TRALLWNG

NEWS FROM FRIENDS OF WELSHPOOL HIGH SCHOOL

FRIENDS OF WELSHPOOL HIGH SCHOOL

The Friends have had another busy summer of events and fundraising and are pleased to announce that money has already been provided to assist in the purchase of equipment for Duke of Edinburgh expeditions and towards the cost of swimming lessons for Key Stage 3 pupils.

We have a number of key events coming up:

- The Friends of Welshpool High School are holding their AGM on **Monday, 19th October** at 7.00pm at PYC Offices (opposite McDonalds). We would love to see as many parents as possible who would like to be involved in supporting the school and everyone is welcome. Come and hear what we have been up to with fundraising and events!
- We are also holding a Charity Race Night at Welshpool Church House on **Friday, 13th November**, starting at 7.00pm. Entry is free and we will be providing nibbles - bring your own alcohol/soft drinks. We hope you can join us - come and place your bets and have a dabble at winning some cash!

All money raised goes towards improving school life for our pupils and we would love your support in any way. Please follow our Facebook page for more details.

Friends' Objective:

To provide and assist in the provision of facilities, equipment and support for the educational, scientific, cultural, environmental and recreational benefit of the pupils of Welshpool High School.

Friends of Welshpool High School

NEWYDDION O DECHNOLEG NEWS FROM TECHNOLOGY

Year 8 Take on the Smallpeice Trust STEM Aircraft Challenge

Before the summer break, Year 8 pupils had the exciting opportunity to take part in a Smallpeice Trust STEM Day, where they put their design, engineering and problem-solving skills to the test through an aircraft challenge.

Working collaboratively in teams, pupils were challenged to design, create and test their own aircraft. Throughout the day, they explored a range of factors that can affect an aircraft's performance, considering how their design choices influenced areas such as flight distance, stability, weight, aerodynamics and accuracy.

The challenge encouraged pupils to think like real engineers. They developed initial ideas, constructed their aircraft and then tested their designs. Following testing, pupils were able to consider what worked well and identify possible improvements, demonstrating the importance of testing, evaluating and refining ideas as part of the engineering design process.

The STEM Day provided an excellent opportunity for pupils to develop valuable skills including teamwork, communication, creativity, problem-solving and practical engineering skills, while applying their learning to a fun and engaging real-world challenge.

Our Year 8 pupils worked extremely hard throughout the event and showed great enthusiasm and determination. They thoroughly

NEWYDDION O DECHNOLEG NEWS FROM TECHNOLOGY

Year 8 Bookmark Challenge

Year 8 pupils have made a creative start to their Design & Technology lessons this year by taking part in an exciting Bookmark Design Challenge.

The project links with the school's 'Drop Everything and Read' weeks, which take place across Key Stage 3, as well as supporting the National Year of Reading. The project provides a great

opportunity to promote the importance and enjoyment of reading while allowing pupils to develop and demonstrate a wide range of Design & Technology skills.

Each Technology Class has been challenged to design and create their own unique bookmark, experimenting with different materials, techniques and processes. Depending on their Technology area, pupils have worked with paper, card and wool, alongside skills such as weaving, CAD (Computer Aided Design) and CAM (Computer Aided Manufacture).

Throughout the project, pupils have been encouraged to think carefully about creativity, function, accuracy, quality and presentation, developing their designs from an initial idea through to a finished product.

To celebrate their hard work, every pupil receives house points for taking part. Each class will also have 1st, 2nd and 3rd place winners, selected based on their effort, quality of the finished product and overall design.

The project has been a great way for Year 8 pupils to begin their technology work, combining creativity, practical skills and digital technologies while supporting both the school's focus on reading and the wider National Year of Reading.

NEWYDDION O DECHNOLEG NEWS FROM TECHNOLOGY

Year 11 Hospitality & Catering - NEA Mock Practical

Year 11 Hospitality & Catering pupils have been working extremely hard completing their NEA Mock Practical Cook, giving them an excellent opportunity to demonstrate the practical skills they have developed throughout the course.

As part of the mock assessment, pupils were challenged to plan, prepare and present two dishes, which could include starters, main courses or desserts. Their chosen dishes needed to be suitable for a specific target group, while also allowing pupils to showcase a range of practical food preparation, cooking and presentation skills.

There was a fantastic level of effort throughout the practical sessions, with pupils demonstrating organisation, time management, independence and attention to presentation when producing their final dishes.

The practical work is only one part of the process. Pupils will now complete written evaluations and dietary analysis, considering the nutritional suitability of their dishes and reflecting on the success of their practical work.

Completing this mock has provided pupils with valuable experience and has put them in a strong position for their real NEA, which begins in December.

Well done, Year 11, on your excellent practical efforts and hard work!

NEWYDDIONN O'R CHWECHED DOSBARTH NEWS FROM THE SIXTH FORM

Former Student Inspires Sixth Form with Global Charity Career

We were delighted to welcome former student **Megan Over** back to Welshpool High School to speak with our Sixth Form students about her inspiring career journey since leaving school.

Following her time at Welshpool High School, Megan has built a successful career in the charity sector, working both in the UK and overseas. She currently works for an organisation that supports communities in ongoing and post-conflict countries, helping people recover from the devastating impacts of war and rebuild their lives.

During her visit, Megan shared valuable insights into her career path, the experiences that have shaped her journey, and the opportunities that have arisen through her work. Students were fascinated to hear about the challenges and rewards of working in an international setting and the positive difference that charities can make to communities around the world.

The session encouraged our students to think ambitiously about their own futures and highlighted the importance of embracing new opportunities, developing resilience, and believing in their ability to achieve their goals.

We would like to thank Megan for taking the time to return to Welshpool High School and share her experiences with our students. We are incredibly proud of all that she has achieved and wish her every success in her future endeavours.

SPORTING ACHIEVEMENTS

Lili and Rupert at the Royal Windsor Horse Show 2026

Back in May, Lili-Mai Harries went to the Royal Windsor Horse Show with her borrowed pony, Rupert. As previously reported, Lili was selected at the Welsh team trials on St David's Day to ride at the prestigious show, alongside four other riders and one non-rider.

The week was amazing. Although they had not ridden together as a team before, they had all been busy riding throughout the summer as part of their own Pony Club teams. On the first evening, each team - England, Wales, Scotland, Ireland and the Republic of Ireland had to put on a short performance, which needed to include the sponsors, DAKS. Everyone on the team was involved, and it was fantastic.

Over the next few days, the riders competed in either the Frogmore Arena or the Main Castle Arena. One performance was cancelled due to a huge storm that never actually arrived! The ponies and riders performed so well every day. On Friday, the King came to watch the teams compete in the Main Arena, and the Welsh team won. That was the biggest highlight of the week - standing in front of His Majesty, winning and carrying the Welsh flag with pride.

The rest of the week was filled with highs and lows. Lili was invited to take part in a podcast with one rider from each team, along with Marcus Capel, the CEO of The Pony Club, and Ian Mariner, who is in charge of Mounted Games.

On the last day, it was revealed that the Welsh team had won the Stable Cup. This was a points system that included the Wednesday night performance, the Welsh team display in the Pony Club team competition, and tack and turnout every day, and the stables had to be kept spotless, with lovely clean, deep beds, full hay nets, clean water and Welsh bunting hung up. The Welsh team worked hard and were delighted to win the cup.

On the very last Sunday performance, the win went to England, but the Welsh team did themselves proud.

Continued ...

LLWYDDIANNAU CHWARAEON SPORTING ACHIEVEMENTS

Since returning from Windsor, Lili has had an incredibly busy summer. The Welsh team may not have ridden together again until their international competition, but all five riders have continued riding regularly with their own Pony Club teams, often competing most weekends.

Lili competed at the Royal Welsh Show, the Royal Cheshire Show, with her Pony Club team, the last competition being at the Pony Club Championships.

The Pony Club Championships was a huge achievement for Lili and the Berwyn and Dee Pony Club team. Competing against 24 teams, they finished an incredible 4th. What an achievement for the whole team!

Preparation is now underway for the international competition in October, which is now only a few weeks away. The Welsh team are travelling to County Wexford to compete. I know the Welsh team want to try to give the English a run for their money!

The Welsh team also featured on Alan Titchmarsh's TV programme, *Love Your Weekend*.

JOIN THE WELSHPOOL HIGH SCHOOL EQUESTRIAN SQUAD!

We're looking at affiliating our school with the **NSEA (National Schools Equestrian Association)**, and we'd love to know if your child would like to take part.

What is the NSEA?

The NSEA runs school-friendly equestrian competitions across the UK. By affiliating, our school can enter events in show jumping, dressage and eventing, from Grass Roots through to the National Championships.

Who can join?

- Riders of all ages and abilities
- Everyone competes as equals, regardless of age or the size of their horse
- Riders can compete as individuals or as part of a team
- One rider can affiliate now, and others can be added later in the year

What do you need?

- Your own horse or pony (with up-to-date vaccinations)
- Your own transport to events
- Annual membership approx. £25
- Passion and team spirit!

What can riders take part in?

- Grass Roots qualifiers and Regional Finals
- Regional Points Leagues (team and individual)
- Dressage and show jumping
- One Day Events and British Eventing Points Leagues
- County qualifiers for the National County Championships (April)

JOIN THE WELSHPOOL HIGH SCHOOL EQUESTRIAN SQUAD!

Understanding the event codes

When you look at the NSEA competition list, you'll see these codes:

- **GR (Grass Roots):** lower-height classes for less experienced riders. Once a rider has jumped 90cm, they're no longer eligible.
- **RPL (Regional Points League):** school teams earn points through the season, and the top teams in each region go through to the RPL Points Final in October.
- **NCHQ (National Championship Qualifier):** classes that can qualify riders or teams for the National Championships in October.
- **Q (Qualifier):** the event offers qualifying places. For example, Grass Roots qualifiers lead to the Grass Roots Championships.

Upcoming qualifiers

We have qualifiers coming up at Kelsall, Allens Hill and Eland Lodge. This is our chance to qualify for Championships.

More information

The NSEA FAQs page answers most common questions: [FAQs – NSEA](#)

Interested? Please reply by 23rd October to tell us your child's name, their riding level, are they a member of a local pony club, BD, BS and whether they'd like to compete as an individual or in a team, and what NSEA competitions they may be interested in.

Competitions coming up

LLWYDDIANNAU CHWARAEON

SPORTING ACHIEVEMENTS

It has been a busy start to the new term with participation at extracurricular clubs at an all time high and the start of many competitions and tournaments against other local schools.

Some results from early matches have been:

Year 7 Boys Football vs The Marches our 3 teams played against two different Marches teams with mixed results. A very good first experience of sport at Welshpool High School for our boys.

Welsh Cup Football vs Llanfyllin

U13 Girls lost 2 - 1

U18 Boys drew 4 - 4 (lost on penalties)

U18 Girls Hockey lost 5-0 vs a very strong Ellesmere College team

U15 Boys Rugby - 2nd place in North Powys, Wrexham and Flintshire

Recently our **U15 Boys Rugby Team** were in action, taking part in the tournament for schools in North Powys, Flintshire and Wrexham. After three impressive wins against Newtown, Castell Alun and Llanfyllin, the team topped their group and progressed through to the final. The final match was against a strong Llanidloes team who had won the other group on the day. The game was in the balance for most of it and could have gone either way, however two late tries for Llanidloes meant that we finished the day as runners-up. This meant it was the end of the road in the Welsh Cup, but does mean the team qualify for a quarter-final spot in the North Wales Cup.

A great squad effort from everyone involved, well done boys!

LLWYDDIANNAU CHWARAEON

SPORTING ACHIEVEMENTS

Welsh Cup Football

Last week we hosted Llanidloes in the first round of the Welsh Cup for football for our U13 Boys and U15 Boys teams.

The U13s faced a tough first half battle, with chances for both teams. However a Welshpool goal just before half time helped to settle the nerves. In the second half another goal soon followed before the floodgates opened as the boys ran out comfortable winners in the end.

The U15s also had a tough game with both sides taking the lead at various points in the match. In the end, the final score was 3 - 3 which meant the winner would be decided by the dreaded penalty shootout. Unfortunately, the penalties did not go out way, which brought the team's cup run to an end.

LLWYDDIANNAU CHWARAEON SPORTING ACHIEVEMENTS

LTA Schools Tennis Competition

After being crowned North Wales Champions last summer, our U15 Boys, U13 Girls and U13 Boys Tennis teams all travelled to Ellesmere College last week for the next stage of the LTA Schools Tennis Competition.

Although each team lost their respective games, everyone showed excellent commitment and effort throughout, as they come up against some highly skilled opposition. It was a brilliant experience for our players, who should all be commended for getting this far in a national competition.
